

Semi U-12 Prospects Program

Concept:

A fun in house developmental program intended to fill the void between the Pee Wee Rep program and the house leagues that most directly contribute players to it.

Target Audience

Semi Hockey players registered with teams in Pee Wee House that show an attitude and aptitude for playing Semi Rep Hockey in future seasons and who wish to add incremental skill development ice time playing with like minded, like skilled players within the association without the added commitment of travel, game play, and financial investment that play at the Rep level requires.

Selection Process:

Semi's U12 prospects program will be an invitational program where kids Pee Wee age are selected based on attitude and aptitude and will be invited to participate in the program.

Invitations will be based on Pre-season evaluations, Team Head Coach, and applicable in house Skills provider reference and feedback.
