

SEMI Hockey Participant COVID Responsibility Code

SEMI Hockey and the facilities that we use are committed to the safety of all participants, coaches, and arena staff. In order to keep everyone safe there are certain responsibilities of each group.

All on-ice participants must agree to the below responsibilities as a condition of their participation.

Prior to arrival at any facility

- Health Screening Daily
 - Players and coaches must follow the TeamSnap Self-Assessment screening tool prior to arriving at your ice time.
 - Do not come to arena if you are sick or exhibit any COVID-19 symptoms.
- Players must arrive fully dressed and leave hockey bags in car,
- Arrive at the arena's designated time before ice session,
- Limit personal belongings ,
- Please wait in parking lot to be escorted into the building,
- Please practice social distancing while waiting outside facility (2M apart) ,
- In many arenas, parents or spectators are not allowed in the building, please follow the instructions of the specific facility.

Inside facility

- Follow all instructions of arena staff and coaches,
- Practice physical distancing at all times (2M apart),
- Please leave minimal personal items in designated areas,
- Do not go in areas that are restricted within the facility,
- If you feel ill, immediately alert coaches,
- Do not share any equipment or water bottles,
- All protective equipment should be worn at all times and jerseys and water bottles should be washed following sessions,
- Do not bring any food into facility,
- Leave facility immediately after ice time,
- Refrain from spitting or blowing nose without a tissue.

I have read and understood the above responsibilities, and agree to be committed to the safety of all participants, coaches and staff.
