Hallmarks of a SEMI Player

- Advanced technical skater, will be able to skate the game on international sized ice
- Plays the game with pace, looks to raise the speed of the game and challenges opposition to keep up
- Calculated Risk taker, willing to challenge himself and others, not afraid to make mistakes
- Protects the puck, uses techniques and body positioning to maintain possession of the puck, doesn't panic and give up possession
- Plays with head up, able to scan the ice with and without the puck

Hallmarks of a SEMI Player

- Creative, and innovative playmaker
- Forwards backcheck hard and smart, D look to join the offense
- Players communicate with each other
- Players are versatile and able to play in numerous situations and a variety of positions
- Disciplined player, no after the whistle penalties, or showing up officials
